Graphics Design

TASK LIST

For **Graphics Design** internship you will need to complete atleast 4 tasks for successful completion of internship.

TASK 1

POSTERS AND FLIERS

Digital posters and flyers have to be visually appealing while satisfactorily communicating a message to the public.

Creating posters and fliers for public relations and marketing campaigns will expose you to scaling and proper design layouts in digital platforms.

For demo [Click](#)

A circular illustration showing several children of various ages sitting and standing on tall wooden bookshelves. They are all holding and reading books. The background of the illustration shows a city skyline with a large full moon. The entire illustration is set against a dark teal background with yellow stars and horizontal lines.
