## TASK LIST

For **Graphics Design** internship you will need to complete atleast 4 tasks for successful completion of internship.

### TASK 4

#### INFOGRAPHICS

Infographics employ pictures, data visualizations, typography, and statistical graphics to tell a straightforward story or present information. Working on an infographic will give you experience with important tools like Canva and Venngage and allow you to exercise your creativity as you think of ways to represent information in a way that is visually attractive, impactful, and effective. # Types Of Learnings

1

Visual learners are individuals who prefer to take in their information visually - be that with maps, graphs, diagrams, charts and others

2

Reading/Writing learners consume information best when it's in words, whether that's by writing it down or reading it.

3

Kinesthetic learners are individuals who prefer to learn by doing. They enjoy a hands-on experience.

4

Auditory learners are individuals who learn better when they take in information in auditory form when it is heard broken.
